Dear Mr. Jenkins:

As promised, I am enclosing a draft of the Administrative Order on Consent. The Order still needs some serious editing in terms of paragraph numbers and cross references, but I felt it important to get it to you now so we can start negotiations. I have also enclosed copies of documents which reference vermiculite production (e.g., exfoliation and product mixing) at 333 West 100 South prior to 1954. Please give me a call when you have had an opportunity to review the documents.

Sincerely,

Matthew Cohn
